Re: Letter dated August 27, 2014

The 48- hour notices referred to in the FEC letter dated August 27, 2014, were filed twice in error.

The filing software I use was off line for maintenance so I was unable to get the 48 hour report to go through so I used the FEC software to report the contributions in question in a timely manner. When my software got up and running it put through items that were pending during the time it was down for maintenance and the same 48 hour report was filed again.

The loan from Doug Ose for \$ 100,000 on 5/28/14 and the contribution from Paul Simmons for \$ 1,500 should have only been reported once.

I apologize for any inconvenience this duplicate filing may have caused.

Thank you.
